SECOND INFORMATION DISCLOSURE STATEMENT

Sir:

The Applicant, through its representatives and attorneys, hereby brings the two Japanese language documents with their English Abstracts to the attention of the Examiner. These documents are identified on the accompanying PTO-1449 and copies are provided.

This submission is timely in that it is made within three months of a document emanating from the corresponding CN application. This will certify that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. Specifically, we are advised that these documents were provided by a document dated May 9, 2003 in connection with the aforementioned CN application. Only the JP language documents were apparently provided; copies of the Abstracts were obtained for the convenience of the Examiner.

Please take these documents into account when reconsidering this application in light of the amendment filed on May 14, 2003.

Respectfully submitted,

Dated: June 17, 2003
